LOT 288 - Lot Of Red Oak Lumber

Description

We are not lumber experts AT ALL come look and be your own judge you are buying the whole stack if you buy it and aren't happy with it cause there is a pine board in it ITS STILL YOURS AND YOU WILL PAY FOR IT. all of this lumber was stacked in a garage and has been in the dry.

Looks to be mostly Red Oak. Various Lengths from 10 foot long down to 6 foot. Width is from a little under 10" on some all the way down to 5".

Most look as they have been dressed as well
